

Welcome to Northants BSAC 955 – The Dive Club That Gets You Wetter!

Northants 955 is a well established diving club based in the centre of Northampton, utilising the pool and social facilities at the Cripps Recreation Centre, Northampton General Hospital. The club was established over 30 years ago and has around 30 active members ranging from novice up to Advanced Diver, plus Open Water Instructors (OWI's) and Advanced Instructors (AI).

We also have an active diving and social calendar.

Our training is established. welcome experienced and programmed well. We have also previously trained divers from a range of diving organizations and agencies, including technical open circuit and fully closed diving.

We meet on Sunday evenings at Northampton General Hospital, where we have both pool time and access to great pub food and drink! We offer a friendly club environment for both the experienced and inexperienced diver. The club is well established in all aspects of diving, from reefs to wrecks, from shallow to deep.

The diving we offer is set to suit the individuals needs, with trips organized around both the UK and to warmer climes abroad.

We hope you have fun looking through our site and look forward to diving with you soon!
